Red Cross Chapter appreciates support of doctor and pharmacy

Thursday, June 01, 2006

The Montclair-Glen Ridge-Nutley Chapter of the American Red Cross extends its thanks to Dr. Jeanine B. Downie for the annual free skin cancer screening she recently conducted at our Chapter House, in observance of National Melanoma/Skin Cancer Detection and Prevention Month.

Dr. Downie's community-mindedness is a boon to our chapter's residents, several of whom availed themselves of the opportunity.

Thanks also go to Andrew Keil of Keil's Pharmacy, who for the past several years has provided the patient gowns used in the examinations, at no cost.

The Red Cross is pleased to have the continuing support of Dr. Downie, a former board member, and Keil's Pharmacy as it carries out its mission to improve the quality of human life.
